

## San Francisco Bay Blues 3Capo G

I got the blues when my baby left me by the San Francisco Bay  
Ocean liner she's gone so far away  
Well, I didn't mean to treat her so bad, she was the best girl I ever have had  
She said goodbye, gonna make me cry, I 'm gonna lay down and die

Well I ain't got a nickel and I ain't got a lousy dime  
If she don't come back, I think I'm gonna lose my mind  
If she ever comes back to stay, it's gonna be another brand new day,  
Walking with my baby by the San Francisco Bay

Well, I'm sittin' down and looking through my back door  
Just a-wondering which way to go,  
Woman I'm so crazy for, says she don't love me no more  
Think I'll take me a freight train, think than I'm feeling blue,  
I'm gonna ride all the way, till the end of the line,  
I'm thinking only of you.

Well, meanwhile, in another city, just about to go insane,  
Seems like I heard my baby, the way she used to call my name  
If she ever comes back to stay, it's gonna be another brand new day,  
Walking with my baby by the San Francisco Bay
